First Day Birdwatching - Medical plants - Big Ceibo tree - River Tubbing

Between 1 and 2 PM you check in Suchipakari lodge and make yourself comfortable. When everything is installed there is a delicious lunch waiting for you. Thereafter it is time for your first activity; you have to wear boots for a jungle hike trip with our native guides. You will observe the beautiful environment in the Amazon Rainforest. Our guide will explain everything in English about medical plants such as ginger and Guayusa. You can also fly like Tarzan through the jungle. Thereafter the group goes further in the jungle to observe some special birds like the famous Cacique, toucans and many others. The Ceibo Tree is one of the most famous jungle trees in the world. You can make some pictures with this huge one while our guide will tell you everything about him. To continue our adventure you change your clothes in bathing suits and life jackets to go tubing and swimming in the river. We will start this activity from our private sandy beach at our Suchipakari lodge. After this busy day you can enjoy our dinner and drinks in our bar where our guides will tell you everything about the next day.

Day 2 Jungle Bike Thrill - Waterfalls - Expedition in Rainforest - Kichwa Community - Swimming Amazon Rivers.

After breakfast you take a walk to the Sumaco Biosphere Reserve. The group hikes through the canyon to the waterfall where you have to cross the river with ropes or just by walking. This makes the hike even more exciting. On your way you can see beautiful landscapes and natural pools where you can make some jumps. You continue the hike by stairs and walking under amazing rocks. Finally you reach the foot of the waterfall. Here you will get your lunch break while enjoying the waves caused by the waterfall. Do not forget to look at the vegetation which surrounds you. After this stop you go to the top of the canyon where you can fly like Tarzan nearby the Giant Ceibo tree. We finally reach the Kichwa family where mountain bikes are waiting for you. To undertake a new adventure you should wear your helmet and listen to the instructions, precautions and the route. Let's start your jungle bike tour! This activity is perfect for families who want to reconnect with nature. In our area you will find several attractions such as waterfalls, canyons, indigenous communities. You can visit them as well with your cycling team. After this busy day you are allowed to relax in our lodge.

Day 3 Explore Big Cannon - Canyoning & Caves - Abseiling - Jumps & pools.

After a lovely breakfast take your Comfortable shoes for hiking. We have to cross rivers and mud so you should take boots at Suchipakari Lodge. Your transfer to the entrance of Grand Canyon takes 1 hour. You can have a look at the huge Ceibo, the giant of the jungle. And when you are ready you can start a short trip to descend 40 minutes to the waterfall. Our guide gives you rope to climb down to the waterfall. This sport is not allowed for children less than 9 years. You reach the entrance of the waterfall where you can swim or do some canyoning (climbing in the waterfall in the caves). This route requires energy, adrenaline and teamwork. We will continue to the last stop where a sparkling pool with 2 waterfalls is waiting for you. Here you can take a break for a nutritious lunch box. Afterwards you enter the Cave Canyon where you can take pictures under the waterfall. For the more adventurous it is possible to climb up the ladder kiwcha and jump into the natural pool. (11 meters). Finally we walk back to change our clothes and go back to your lodge. After delicious dinner you can share your experiences with your friends in the bar.

Day 4 Exciting Day : Rafting

After a lovely breakfast the group prepares for leaving to Jatun Yacu Sector nearby the river Napo. This place is famous for its white water and big waves. Napo is considered one of the best places in the world that offers favorable conditions for rafting. In this area are many world Championships. Before starting this activity, everyone will practice it supervised by our professional and experienced guides. They teach you about paddling techniques, rescue and safety equipment. It lasts 5 hours with several breaks between and in different degrees of difficulty. Please ask us about the best option according to your experience or first time! On the banks of the river you will get your lunch where after the boat goes further. You return to the lodge in the afternoon for a delicious dinner and will enjoy the night Amazon around a fire. You will share the experiences of the day with your new friends. This sport is not allowed for children less than 10 years.

Last Day: Gold washing - Prepare Ecuadorian Chocolate

After your breakfast you observe the gold washing on the banks of the river Pusuno, where you can swim and relax as well. After this activity, the group goes back to Suchipakari lodge where you will learn how to make chocolate. Ecuadorian's is one of the best in the world and our recipe is very simple. You will only use products from the jungle and of course you can savor your own product. Unfortunately this is the end of your wonderful Rainforest trip.
