First Day Birdwatching - Medical plants - Big Ceibo tree - River Tubbing

Between 1 and 2 PM you check in Suchipakari lodge and make yourself comfortable. When everything is installed

there is a delicious lunch waiting for you. Thereafter it is time for your first activity; you have to wear boots for a jungle hike trip with our native guides. You will observe the beautiful environment in the Amazon Rainforest. Our guide will explain everything in English about medical plants such as ginger and Guayusa. You can also fly like Tarzan through the jungle. Thereafter the group goes further in the jungle to observe some special birds like the famous Cacique, toucans and many others. The Ceibo Tree is one of the most famous jungle trees in the world. You can make some pictures with this huge one while our guide will tell you everything about him. To continue our adventure you change your clothes in bathing suits and life jackets to go tubing and swimming in the river. We will start this activity from our private sandy beach at our Suchipakari lodge. After this busy day you can enjoy our dinner and drinks in our bar where our guides will tell you everything about the next day.

Day 2 Hiking in the jungle - Waterfall & Slide natural - Kichwa House - Drink chicha de yucca.

After your delicious breakfast you will go back in the jungle to the waterfall with your boots. On your way our guide will tell you everything about the flora like for example bamboo, laurel, cocoa and orchids. He will tell us as well which plants the indigenous people use for their paintings. They use the color for their ceramics, clothes and other objects. On your trip in the Rainforest you will meet several different species like monkeys, bats and many others. You will enjoy our picnic lunch by the river. It is possible to slide down the 50 meters gigantic stone platform where the river formed a natural waterslide. You can also relax in the natural spa, which is formed by different rocks, one above another. This makes it a special place for bathing. For adventurous people you can climb up the rocks. After this break the group will continue the trip to a local indigenous family, named the Kichwa Community. They will teach us how to make Chicha de yucca, a typical drink in the Amazon. Other customs of their jungle life are as well demonstrated. Heading back to Suchipakari for a lovely dinner and sitting around a campfire to tell everyone about your adventures.

Day 3 Discover Napo River - Canoe trip - Visit Indigenous Communities - Amazon Dawn Watching - Wildlife museum - Animal Rescue Center.

After an early breakfast you have to make you ready for a voyage on the Take your boots and life jackets for trip to Napo. Here you will embark in canoe heading to a Community Center Kamak Maki. It is a community project which tries to preserve the ancient knowledge of the region and educates people about Kichwa culture and other cultures of the Ecuadorian Amazon. The name, Kamak Maki is Kichwa language and means working with your hands. Your next activity is a museum where you can learn about traps to catch animals in the jungle. You can as well try to shoot with a hunting weapon. Here you can as well observe some snakes, parrots and many other wild animals. You will continue the canoe trip on the river to another Kichwa community where you learn about the local dance, music and culture. Here we will eat our delicious lunch in their local houses. Take the opportunity to buy handicrafts made by the young people of the community. The rainforest provides materials to make necklaces, bracelets, crowns etc. After this break your guide will tell you everything about the sacred stone and about the experiences of the Shaman. We will continue by canoe to Monkey's beach. Here we can find amazing typical food. Then, we go back by canoe to Lodge. To finally our adventure. In the Hotel we will go to our private sandy beach for swimming on the river or just relax. At night, after dinner, we'll have our usual meeting to share our day's experiences

Day 4 Exploring caves - Canyoning - Jumps & pools

After your breakfast you take your comfortable shoes for a trip. The transfer takes one hour to the Grand Canyon. You can have a look at the huge Ceibo, the giant of the jungle. And when you are ready you can start a short trip to descend 40 minutes to the waterfall. Our guide gives you rope to climb down to the waterfall. This sport is not allowed for children less than 9 years. You reach the entrance of the waterfall where you can swim or do some canyoning (climbing in the waterfall). This route requires energy, adrenaline and teamwork. We will continue to the last stop where a sparkling pool with 2 waterfalls is waiting for you. Here you can take a break for a nutritious lunch box. Afterwards you enter the Cave Canyon where you can take pictures under the waterfall. For the more adventurous it is possible to climb up the ladder kiwcha and jump into the natural pool. (11 meters). Finally we walk back to change our clothes and go back to your lodge. After delicious dinner you can share your experiences with your friends in the bar.

Last Day: Gold washing - Prepare Ecuadorian Chocolate

After your breakfast you observe the gold washing on the banks of the river Pusuno, where you can swim and relax as well. After this activity, the group goes back to Suchipakari lodge where you will learn how to make chocolate. Ecuadorian's is one of the best in the world and our recipe is very simple. You will only use products from the jungle and of course you can savor your own product. Unfortunately this is the end of your wonderful Rainforest trip.
