

QUOTATION LIST

Buyer:

Date: April 40,2013

Address:

Terms of Payment: 30% T/T payment as deposit to begin mass production, balance byT/T before shipment.

Terms of Trade:

Shipment detail:Leaving Guangzhou ,China.

Time of Shipment:Delivery 2x20Ft within 30 days after receiving deposit.

Covering commerdities of :

N o.	Picture	Item No.	Description	FOB Guangzhou	
				Under 500pcs	Over 1000pcs
1			Door Closer		
		YD097	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 15-30 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$4.80	4,3
2		YD051	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 40 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$7.20	US\$6.90
3		YD061	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight25- 45 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$7.70	US\$7.30

4		YD062	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 45 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$7.70	US\$7.30
5		YD071	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 60 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$8.70	US\$8.30
6		YD071A	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 60 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$8.70	US\$8.30
7		YD071B	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 40 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$7.30	US\$7.00
8		YD072	<ul style="list-style-type: none"> • Suitable for maximum 1200mm wide door leaf of single direction opening door, the maximum door weight 80 kg • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • ? Two stage speed adjustment, 90-160 degree locating function available • ? Either to be installed on doors with normal method or be installed on door frame • Standard color: golden, silver, copper or other kinds of color on clients' requirements 	US\$13.30	US\$13.00

9		YD073	<ul style="list-style-type: none"> • Suitable for maximum 1200mm wide door leaf of single direction opening door, the maximum door weight 80 kg • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • ? Two stage speed adjustment, 90-160 degree locating function available • ? Either to be installed on doors with normal method or be installed on door frame • Standard color: golden, silver, copper or other kinds of color on clients' requirements 	US\$13.30	US\$13.00
10		YD081	<ul style="list-style-type: none"> • Suitable for maximum 1200mm wide door leaf of single direction opening door, the maximum door weight 80 kg • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • ? Two stage speed adjustment, 90-160 degree locating function available • ? Either to be installed on doors with normal method or be installed on door frame • Standard color: golden, silver, copper or other kinds of color on clients' requirements 	US\$13.30	US\$13.00
11		YD2002	<ul style="list-style-type: none"> • Suitable for maximum 1200mm wide door leaf of single direction opening door, the maximum door weight 25-45 kg • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • ? Two stage speed adjustment, 90-160 degree locating function available • ? Either to be installed on doors with normal method or be installed on door frame • Standard color: golden, silver, copper or other kinds of color on clients' requirements 	US\$8.50	US\$8.00
12		YD2001	<ul style="list-style-type: none"> • Suitable for maximum 1200mm wide door leaf of single direction opening door, the maximum door weight 60 kg • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • ? Two stage speed adjustment, 90-160 degree locating function available • ? Either to be installed on doors with normal method or be installed on door frame • Standard color: golden, silver, copper or other kinds of color on clients' requirements 	US\$11.30	US\$11.00

13		YD982	<p>Suitable for maximum 900mm wide door leaf of single direction opening door, the maximum door weight 60 kg</p> <ul style="list-style-type: none"> • Precisely sealed, preventing oil leakage • High quality die-casting aluminum alloy, protected with two-layer bright paint • Two hydraulic press valves controlling two stage doors closing speed automatically, 180 degrees fully hydraulic control. • Two stage speed adjustment, maximum opening degree is 180 • Can be installed on right and left opening doors, with no need of refit • Standard color: golden, silver, copper,bronze or other kinds of color on clients' requirements 	US\$20.60	US\$20.00
