

QUOTATION LIST

Buyer:

Date: Apr 20,2013

Address:

Terms of Payment: 30% T/T payment as deposit to begin mass production, balance byT/T before shipment.

Terms of Trade:

Shipment detail:Leaving Guangzhou ,China.

Products capacity:Delivery 5x20Ft within 30 days after receiving deposit.

Covering commerdities of :

No.	Picture	Item	Description	FOB Guangzhou	
				Less than 20000 pcs	Less than 50000 pcs
Hydraulic Buffer Hinge Series					
1		OF227	Hydraulic Buffering hinges,85-92g insert(C=17),Opening angle:95 degree,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.360	USD 0.345
2		OF228	Hydraulic Buffering hinges,85-92g Half overlay(C=0),Opening angle:95 degree,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.360	USD 0.345
3		OF229	Hydraulic Buffering hinges,85-92g Full overlay(C=0),Opening angle:95 degree,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.360	USD 0.345
4		OF217	Hydraulic Buffering hinges,116-120g insert(C=17),Opening angle:95 degree,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.465	USD 0.455
5		OF218	Hydraulic Buffering hinges,116-120g Half overlay(C=0),Opening angle:95 degree,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.445	USD 0.435
6		OF219	Hydraulic Buffering hinges,116-120gFull overlay(C=0),Opening angle:95 degree,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.445	USD 0.435
7		OF227	Hydraulic Buffering hinges,92-95g,insert(C=17),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.370	USD 0.360

8		OF228	Hydraulic Buffering hinges,92-95g Half overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.365	USD 0.355
9		OF229	Hydraulic Buffering hinges,92-95g Full overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.360	USD 0.350
10		OF237	Hydraulic Buffering hinges,100-105g insert(C=17),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.385	USD 0.370
11		OF238	Hydraulic Buffering hinges,100-105g Half overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.375	USD 0.365
12		OF239	Hydraulic Buffering hinges,100-105g Full overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.365	USD 0.355
13		B107	Hydraulic Buffering hinges,insert(C=17),adjustable disassembly function,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.435	USD 0.430
14		B108	Hydraulic Buffering hinges,,Half overlay(C=0),adjustable disassembly function,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.435	USD 0.425
15		B109	Hydraulic Buffering hinges,Full overlay(C=0),adjustable disassembly function,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.435	USD 0.425
16		C107	Hydraulic Buffering hinges,65-70g,insert(C=17),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.290	USD 0.290

17		C108	Hydraulic Buffering hinges,62-67g,Half overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.280	USD 0.280
18		C109	Hydraulic Buffering hinges,60-65g,Full overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.270	USD 0.270
19		D107	Hydraulic Buffering hinges,95-100g,insert(C=17),adjustable disassembly function,made of Iron,nickle plated,matching the cover on the arm,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.385	USD 0.370
20		D108	Hydraulic Buffering hinges,92-95g,Half overlay(C=0),adjustable disassembly function,made of Iron,nickle plated,matching the cover on the arm,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.375	USD 0.360
21		D109	Hydraulic Buffering hinges,92-95g,Full overlay(C=0),adjustable disassembly function,made of Iron,nickle plated,matching the cover on the arm,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.365	USD 0.350
22		OF207	Hydraulic Buffering hinges,insert(C=17),or matching baseplate with 2holes,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.345	USD 0.330
23		OF208	Hydraulic Buffering hinges,Half overlay(C=0),or matching baseplate with 2holes,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.335	USD 0.320
24		OF209	Hydraulic Buffering hinges,Full overlay(C=0),or matching baseplate with 2holes,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.325	USD 0.310

25		OG207	Hydraulic Buffering hinges,insert(C=17),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.315	USD 0.300
26		OG208	Hydraulic Buffering hinges,Half overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.295	USD 0.280
27		OG209	Hydraulic Buffering hinges,Full overlay(C=0),made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.280	USD 0.270
28		OL109	Hydraulic Buffering hinges,Full overlay(C=0),Dia26,made of Iron,nickle plated,Dormestic hydraulic pressure equipment ,cycle test for more than 45000 times,10 pcs in inner box,10boxes in a carton	USD 0.280	USD 0.265
29	Gas Pressure Support Series			Under 80000pcs	Over 100000pcs
30		1501A	Pressure Hydraulic support,60N,80N,100N,120N,150N,180N,Made of damp brass,Gas Pressure installment,silver /black color,electric plating/spraying,1pc into a polybag and 100pcs into a carton	USD 0.440	USD 0.425
31		1501B	Pressure Hydraulic support,60N,80N,100N,120N,150N,180N,Made of damp plastic,Gas Pressure installment,silver /black color,electric plating/spraying,1pc into a polybag and 100pcs into a carton	USD 0.410	USD 0.400
33		1502A	Pressure Hydraulic support,60N,80N,100N,120N,150N,180N,Made of damp brass,Gas Pressure installment,silver /black color,electric plating/spraying,1pc into a polybag and 100pcs into a carton	USD 0.500	USD 0.490
34		1502B	Pressure Hydraulic support,60N,80N,100N,120N,150N,180N,Made of damp plastic,Gas Pressure installment,silver /black color,electric plating/spraying,1pc into a polybag and 100pcs into a carton	USD 0.490	USD 0.480

Remarks:

1, Less than US\$20000 per order,you pay for US\$100 as charge of Bank procedure by T/T,

2, Expiry Date: 20days after quotation day.
