### Testimonials from Clients

Hi many thanks for taking the time to read this brochure. Please read just some of the comments from previous clients I have worked for.

Ben and Vicky

08:00 AM on March 12, 2013

We would both highly recommend Neil. He was friendly, happy to help and polite to all guests, and he was able to organise a lot of photographs during our wedding with ease. As a result we have a lovely set of wedding photos/albums, and he was able to include some imaginative shots/images. A pleasure to work with, and we will definitely look to use Neil again for any future photo shoots.

Kristina & Kevin

We would highly recommend Neil. Every bride and groom want their day to be perfect. Neil capture all the days events excellently. He organised the group photos very well, which wasnt an easy task. He was able to blend well into the background, so you didnt feel like you had a camera consently in your face. We have a beautiful set of ablums and prints.

Neil was very easy to communicate with and nothing seemed too much trouble.  
Thank you for all your hard work.

Emma & Craig Jackson

02:34 PM on September 03, 2011

We are so grateful to Neil for the fabulous photo's he has produced for us and were totally amazed by the amount that he took, half the time we didn't even notice he was there when he was taking the more relaxed shots. It was very hectic in the run up to our wedding so it was wonderful to have Neil there to guide us into the appropriate album shots. Right from the beginning Neil helped us pick a package that was suitable for us rather than just a bulk standard package.

We would recommend him 100% to anyone who is looking for a very professional, polite and friendly photographer, he was amazing. We have just received our Preview album and the pictures are wonderful, it was such a hard decision picking the 40 for our Wedding album. Many thanks again Neil

We were totally impressed with Neil from beginning to end; he was so helpful at guiding us to make sure that we included all the "proper" pictures for the wedding collection. It is so overwhelming planning a wedding and having someone who is so professional to nudge you in the right direction is priceless. The finished album and pictures arrived this weekend and everyone who has seen them has commented on what a fab job Neil did. Thank you so much!!!

04:03 PM on July 05, 2011

Neil was amazing at our wedding I would recommend him to anyone. It was so nice to have someone who was so professional to take us through everything. The photos are so nice and he had some really nice ideas. Right from the start Neil was so flexible agreeing a package that suited us rather than having to pay for a set package. He was kind enough to meet us on site and really got to know what we were looking for. He was great with my troublesome relatives and brilliant with children. He was so polite and professional. Everyone liked him. Thanks Neil

Hi Neil. Thank you so much for such a wonderful 'package' right from the hassle-free photo session on the day through to the wonderful photo albums we now have - absolutely first-class!! A great, friendly service - all the guests commented on how easily you organized the photos and how quickly!! It was a pleasure dealing with you. We are not local to the Swindon area but would thoroughly recommend your services to anyone wanting photos for any occasion - you helped to make our wedding perfect - thanks so much Neil.

Thank-you so much for the lovely photos you took of our wedding on 27th March 2010. You organized everyone really well and got all the shots that we requested, both posed ones and natural shots. The preview album was great and the finished final album was very professional. We received our photos very promptly after the event so it was great to be able to look through them quickly. Thanks again for all your work and the great finished product! Lucy & Steve

## Questions and Answers

**What packages do you do?**

A wide variety of packages ranging from the basic, bronze, silver, gold and Platinum. However if these are not to your budget, I do a CD only package.

**How long do you attend the wedding?**

That depends on the package you choose. If the Bridal preparation is required this will be between 1 - 2 hours before the ceremony. Time spent at reception venue dependant on package booked. If evening reception is booked or included I will return for 1 – 2 hours

**How much time should you allow for taking photos after the ceremony?**

Generally 1 ½ - 2 hours depending on place, groups and weather.

### What shots are taken at the Bridal house?

Detailed shots of the hair being done, make – up applied, the Dress, flowers, shoes, jewellery and anything else that captures the special day.

### Do you have Sample Albums?

Yes. I have complete albums in both styles I do for you to see.

### How many images do you take?

There is no limit to the amount of images taken on the day. However a normal wedding day will produce anything up to 800 photos. Every photo taken will be placed on the CD for you to view. With a selection of 100 images placed in the preview album.

### How does it all work with an album?

The preview album and CD are yours to keep. An order form is provided for completion of your main album and any other orders.

### How long does it take to produce the album?

Following your wedding you will receive the preview album and CD in 21 - 28 days (depending on the time of year), either hand delivered by myself or by courier.

From there you will have up to 6 months to look through and pick your favourite ones for the album. These will be delivered 6 - 8 weeks (again depending on time of year) after I receive the order.

If orders are not received within 6 months an additional charge may apply.

# A1 Photogenics

**PHOTOGRAPHY FOR ALL OCCASIONS**

### How do you produce your prints?

I use a professional lab based in the UK for the prints and digital photos.

### What sort of photography do you do?

I will do what ever photos you want me to do. I will do the normal posed shots (Groups, Bride and bridesmaids, Groom and Best man etc.) as well as some natural shots. If any specific shots are required please advise me in writing 28 days before and every effort will be made to complete requests. Providing sufficient time is available.

### How do you book me and how do you pay?

You can book me by calling [01793 337502](tel:01793337502) (home) or [07985 182473](tel:07985182473) (mobile), or by visiting [www.photogenics1.com](http://www.photogenics1.com). A small deposit will secure the booking (usually £110), with the outstanding balance payable in full 2 weeks before the Wedding

**Will you meet us before the Wedding?**

Once you have contacted me I will make arrangements to meet up with yourselves and talk through any further questions you may have and show you what you will expect to get from me on the day in question. After the initial consultation I will meet with you again to discuss final plans.

**What type of camera do you use?**

I use Nikon digital cameras. With these I can offer your images in Colour, Black & White or other toned settings.

**Do you keep a copy of all the images?**

Yes I keep copies of all images taken. These are kept for a maximum of 3 years.

**What do you wear at the Wedding?**

I always dress smartly, Trousers, and company Shirt.

**What should I look for in a Photographer?**

Your photographer will need to be vocal with a group of up to 150 guests. They must maneuver them quickly in a limited timescale and under pressure. They must have a strong outgoing personality, whilst respecting everyone at the wedding.

**I have a friend who says they can do it for me, as they have a good camera**

My wife has a good oven; but it doesn't mean she can cook!!!  
But seriously, I would ask what your budget is & what is most important to you? A good professional photographer not only has the experience of the wedding format, but the equipment back up, the ability to deal with a large number of people & be able to pose the Bride & Groom well all at the very least.
