

## Ribble Valley Hog Roast

Dear ,

Thank you for your enquiry regarding the catering for your forthcoming event. Please note: on SATURDAYS ONLY! FROM MID MAY THROUGH JUNE, JULY and AUGUST there is a minimum spend of £1100.

Below is a basic price list and Menu for a wedding/garden party hog roast event, however this is purely a suggestion and I would be delighted to offer other suggestions and Menus should you like me to do so, to suit your own personal taste and more importantly your budget.

Our Hog Roasts are normally served buffet style with salads, we find this works best as customers love to get up close to the roast and choose for themselves to ensure they get the meat selection, quantity and crackling they desire.

Ribble Valley Hog Roast has been established for 10 years and I have been involved in hog roasts full time for 13 years, and catering for over 20 years. I like to think that I offer a truly unique and personal service for any event that you are planning. Whether it be a Wedding, Garden party or corporate event I am there to help you all the way.

Prices include gazebos, buffet tables, cloths and staff to serve as required.

(Please ask if you think you may need extra staff for other duties i.e. clearing plates, reception drinks etc.)
