### Wire & Cable Assembly

- Discrete wire
- Discrete wire terminated
- Wire harness (simple to complex)
- Multi-conductor jacketed cable assemblies
- Wire & cable harness assembly
- Ribbon cable
- Battery cable
- Ground strap
- Coaxial cable
- Power cords

### Electrical & Mechanical Assembly

- Control box, joystick
- Junction box
- Panel assembly
- Console assembly
- Fiber optics
- Protector block
- Backplane
- Enclosure, electrical assembly
- Din rail assembly
- Power distribution systems
- Sensor: proximity, temp, etc.
- Potting
- Encapsulating

### Markets Served – partial list

- Aerial Lifts
- Air Technology
- Agriculture
- Automation & Control
- Communication
- Construction
- Elevator
- Federal Government
- Forestry
- Heavy Equipment
- Material Handling
- Military
- Power Generation
- Railcars, people movers
- Rescue Vehicles
- Refrigeration
- Service Equipment, automotive
- Specialty Vehicles
- Water Technology

### In House Processing Capabilities

- Cutting, wire & cable
- Stripping, wire & cable
- Ink jet marking, wire
- Hot stamp marking, wire
- Semi-automatic termination
- Cable, Heavy gauge
- Testing, Dynalab & Dit-Mco
- Wire wrap, telecommunication
- Taping
- Tying
- ESD, IPC certified assembly & testing
- Braiding, harness
- Loom, Split or solid convoluted
- Soldering, resistance & pencil
- Soldering, dip
- Ultrasonic welding
- Heat shrink tube application
- Heat shrink, plain, marked and cut to length.
- Potted sensors, relays, etc.
- Encapsulation – sensors & switches
- Electro-optical assembly
- Fiber optic cable assembly
- Fabrication, sheet metal
- Paint booth

### Services Provided

- Prototypes, PVT & PQT
- Stocking programs
- Kitting
- KanBan
- Bar Code
- Labeling
- Custom packaging
- Design & Technical assistance
- Custom projects, design, manufacture & installation

### Certifications

- ISO 9001:2008
- UL Recognized
- UL 508a Listed

### Affiliations

- WHMA, founding member
