20% A YEAR

E-commerce. Why go online?

Increase your turnover for less than £1 a day.

- Bring faraway customers to your doorstep.
- Take orders **24 hours a day, 7 days a week.**
- Keep overheads low. Make more money.

A one stop shop for taking payments online.

- Process up to **£50K** worth of transactions a year.
- **Free** website creation tool.
- **No contract.**
- No cancellation fee.
- Gateway **Tier1-PCI compliant.**

PaymentSense, acting as an agent of FDR limited, doing business as First Data Merchant Solutions, is registered with MasterCard/Visa as an independent Sales Organisation and Member Service Provider of Bank of Scotland.

Why PaymentSense?

We provide everything you
need for £20 a month:

Payment processing

Get your own merchant account and process up to £50K worth of transactions a year through our secure systems. No hidden costs or price increases.

Your website

We provide a simple to use website creation tool that allows you to build your site in 60 minutes or less. No developer or designer required.

No contract length

There is no lengthy contract to be tied into. Simply give us your notice if you wish to leave.

“ PaymentSense made things simple and efficient. Their rates are cheaper than competitors and we were online within a week ”

SUNAINA SANGHA,
WALSALL
