

Kerala's first Inverter manufacturer (1985), India's best HIGH END DIGITAL SINE WAVE HOME U P S manufacturer ERNAD now presents INVERTERS/ HOME U P S with *LIFE TIME WARRANTY of 10 years*

Before you order to purchase a generator please think twice on its merit or demerit

1. It is some noisy even if it is branded as "silent" Or "Noiseless"

2. It consumes fuel, whatever it is, hence has substantial running costs.

3. The generator has "moving parts" and have wear & tear, within short time it may need overhauling & maintenance works.

To avoid all these worrisome problems please think of our equipments which are very effective & efficient to ward off power problems from your premises. Our HIGH END DIGITAL SINE WAVE HOME U P S are not some other INVERTERS, they are much more efficient can work for you for hours together without any trouble. We do provide 10 years replacement warranty

These ELECTRONIC STANDBY POWER SYSTEMS can replace the fuel thirsty Petrol/Diesel Generators as they are capable of running even the electric motors (subject to capacity restrictions), A C units & any other power equipments requiring electric power

These systems have the following main features & very rugged & versatile in design:

- 1. It can be programmed to work in any voltage ranges between 12 V to 48V DC**
- 2. Inverter output can be set to work 200-260v. Set voltage is 220V 50Hz**
- 3. Charging current is settable 0-15A according to the type of batteries used. Set charging current is 12A**
- 4. Load can be set according to needs subject to capacity of Mosfets used & high grade mosfets are used in our system so that we can load 1250VA easily per battery. Set load is 1250VA for 150AH battery**
- 5. Can be used with any charging source GRID/MAINS or SOLAR or WIND GENERATORS. Our systems are fully compatible with these sources**

- 1. Digital Sine wave Home U P S 1000VA 12V Rs. 14500.00**
 - 2. Digital Sine wave Home U P S 2000VA 24V Rs. 18500.00**
 - 3. Digital Sine wave Home U P S 3000VA 36V Rs. 22500.00**
 - 4. Digital Sine wave Home U P S 5000VA 48V Rs. 26500.00**
- Prices are for supply in Kerala & without batteries**
