

### SOTHYS INSTITUTE FACIALS

Truly specialised and effective treatments which produce visible results.

Included in the cost of your first facial at About Face is a FREE, private consultation during which your skin will be professionally analysed. What you wish to achieve for your skin will be noted and the therapist will then choose which facial is most suited to you. She will prescribe home care products from the Sothys range to enhance the benefits of your facial, thereby maximising your investment in your skin.

ELECTROLYSIS, IPL & BEAUTY CLINIC  
Established 1984

## ELECTROLYSIS

Electrolysis is the only Medically Approved method of **Permanent Hair Removal**.

Unwanted hair is a problem for many people and the distress it can cause is vastly underestimated.

More people have hair permanently removed by electrolysis than you can probably imagine.

Please make an appointment for a consultation - it is free, private and you are under no obligation to have treatment.

Please ask for our specialist leaflet on electrolysis.

All our electrolysists undertake post-graduate examinations to become registered with the

British Institute & Association of Electrolysis

(M.B.I.A.E. , C.R.P.E.)

WE USE ONLY STERILE DISPOSABLE PROBES

ELECTROLYSIS BY BLEND METHOD IS USED WHERE APPROPRIATE
