All Backorders will be shipped immediately upon ALFA inventory replenishment, regardless of order quantity & value, unless we receive notification in writing beforehand to the contrary. We can “Drop-Ship” your orders directly to your customers for a \$3.00 handling fee for the first package & \$1.00 for each additional package per order.

PAYMENT TERMS:

Net 30 day terms are available for credit approved accounts. To open a house account, please provide the following: (1) Bank References; (2) Trade References; (3) signed copy of the ALFA Credit Application (see pg. 125 in this catalog). Other payment options include; MasterCard, Visa, AMEX & Discover credit cards, C.O.D., cash in advance & Bank Wire Transfers. Title to all goods supplied remains with ALFA International Corporation until invoices are Paid in Full by buyer.

WARRANTY:

ALFA stands behind every product we sell. All ALFA products are factory warranted against defects for a period of 3 to 12 months (depending on item/manufacturer). Warranty dates on all products become effective as of the ALFA invoice date. All electrically powered products carry a 3 to 12 months Bench Warranty (depending on item/manufacture). A Bench Warranty requires a product to be sent back to a designated Warranty Assessment facility via prepaid freight. ALFA does NOT issue Call Tags. All validated Warranty Claims are subject to shipping charge credit. **Warranty shipments without an ALFA Return Authorization # (see RETURNS Section below) and/or sent Freight Collect will not be accepted under any circumstances** & returned to sender. Replacement products and/or credits should not be extended to customers who have items that have not yet received Warranty Assessment Approval. **If a customer insist on a replacement being sent prior to the Warranty Assesment, the new product will be NOT be considered a Warranty Replacement and the buyer will be responsible for the invoice and any repaired product covered under warranty.** Product Warranties are voided in cases where the product has been found to be abused, modified, damaged (accidentally or intentionally), improperly installed, incorrectly maintained, misused, or operated in any manner considered contrary to those outlined in normal product instructions and/or applications. ALFA reserves the right to repair or replace items returned for Warranty Assessment at our discretion and will not be liable for any injuries or damages due to operator error, carelessness or neglect.

CLAIMS:

We are not perfect, so if we make a mistake and ship you the wrong item(s), let us know within 14 days of receiving your order so we can correct our mistake without delay. If your shipment arrives damaged or missing items, we can assure you it didn't leave our facility in that condition. Please save the box & related packing material and contact the carrier immediately to initiate claim procedures & inspection. Please do not use, alter or tamper with goods that may be damaged or defective. Doing so will hamper our ability to successfully file a claim with the manufacture & honor warranties.

PRODUCT RETURNS:

If you need to return a product **within 60 days of purchase**, please contact us ASAP for a RETURN AUTHORIZATION # (RA#), so we can promptly & properly track your Return Claim. We DO NOT issue Call Tags, nor accept C.O.D. shipments. Packages returned without an ALFA issued RA# will be refused. All returned merchandise **MUST BE DEEMED SALEABLE AS NEW** and in its original carton/packaging to qualify for full credit. Of course, if your return comes as a result of an ALFA error, we will credit your account accordingly for associated shipping fees & quickly provide you with the correct item(s). **Items processed for return up to 60 days from original invoice date are subject to a 20% restocking fee.** Additional fees may apply for any returns that are requested after 60 days and are subject to ALFA approval. Once you have received your RA#, ship your returns to us prepaid & insured. All RA#s are issued via Email or Fax & REQUIRE customer signature/confirmation. We DO NOT provide Verbal RA#s.
