

This is the product and price list for MichaelJLove Photography and shows the range of products that I offer and their prices. All dimensions are in inches unless otherwise stated.

All orders over £50 will include a disc with low resolution, watermarked images from your shoot, suitable for emailing to friends and family and posting on the internet.

Standard Prints

All my standard prints are available as gloss or lustre prints and are provided with a classic black strut mounts with a silver foil border at the aperture. The mounts are made from a stiff but lightweight 800 micron material and have a stable 2-way rudder allowing portrait or landscape presentation. You can also choose a poster mount and colour, but these do not have a strut so are not free-standing.

Photo Montages

Photo montages are available with a combination of images on the one print and created to your design, using your choice of images. You will be presented with a choice of layouts, or you can suggest your own design, and you will have final approval before they are printed, ensuring you receive exactly what you want!!

They can be printed on any of my poster, canvas or acrylic products, and there is a £30 design fee.

I can also provide multiple aperture mounts with 2+ prints in a variety of sizes, please contact me to discuss your choices.

CD

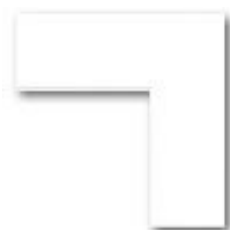

A disc with all the full resolution images suitable for printing can be purchased for £110.

Other Products

If there are any products you would like that are not listed here you would like a print size that is not offered on this list, please contact me to discuss your ideas.

Poster Mounts

These are the available colours for my white core mounts, which are non-acidic and will stay white for the life of the board. Due to the variance in printing techniques, these are only examples to give an idea of colours.
