

The Boathouse Cafe

Plymouth's Real Seafood Experience!

"The Southern Star"

Welcome Aboard The Boathouse Café

Here at the Boathouse it's all about fabulous fresh food, simply cooked to showcase the quality of our produce.

As an award winning venue for our sustainable sourcing, we serve the freshest local fish and shellfish caught by the salty sea dogs on our own, inshore day boat "The Southern Star".

Anything not caught by ourselves comes from Moby Nick and is always sourced to support local fisheries or from certified sources to ensure sustainability and minimise our impact on the environment.

Our meat is purchased from Devon and Cornish farms, supplied by Jones and Champion butchers. Our bread comes from F.H.Jacka's in Plymouth, Britain's oldest working commercial bakery.

Cornish farm produce supply our free range eggs and locally grown veg and salad's.

Our Gourmet Fat Rok coffee and Novus Teas come from Devon based, Coffee West.

Please tell us how we did by filling in your comment card, for the chance to win a free meal for two at The Boathouse Cafe.

Our sister company, Plymouth Boat Trips offers fishing trips, cruising and private hire and connecting ferries to Cawsand and Mount Edgcumbe in Cornwall, find out more at: www.plymouthboattrips.co.uk
