

# Traditional Awning

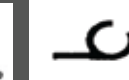

Our Traditional awnings are still hand-made the same way they were made in 1800's, however on many occasions we had clients requesting us to create a truly bespoke product that looks and "feels" traditional but has all the advantages that modern materials offer today. The timber that we use is always [FSC Accredited](#). Wooden boxes are treated with several coats of paint or varnish if the client prefers to have a natural finish.

## Measurements & Price

Projection / Width	1500mm	2000mm	2500mm	3000mm	3500mm
1000mm Hard Wood	£1084.80	£1092.80	£1100.80	£1108.80	£1116.80
