3500mm	N/A	N/A	£1490.00	£1677.85

The self-supported base technology of the dream box cassette enables the installation of more than two arms, in order to achieve better stretch of the awning fabric over larger surface.

Innovative folding arms are specially designed to give maximum force in the final opening phase and low resistance during closing.

we can manufacture any size from **3m - 6m** wide and from **1.5m - 3.5m** projection.

- Constructed from corrosion resistant extruded aluminium, this is powder coated white as standard, but can be powder coated to any colour.
- Stainless Steel components for durability.
- Twin spring arms with double cable attachments for optimum fabric tension at every position.
- Wide adjustable angles - from 5 to 38 degrees.
- Easy to keep clean framework.
- Bespoke printing on mains and valance for commercial applications.

Print on Main Section in one Colour **£100**

Print on Valance **£50**

Powder Coating All Frame Work **£170**

Matt Finish and Special Colours **£190**
