

The One and Only

- Terrapin is the only manufacturer of **clear, seamless, self-adhesive covers** that turn paperbacks into hardcovers without unsightly seams.
- Our **clear, self-adhesive rolls of contact** are easy to work with and will never age, yellow, harden or crack.
- For **crystal clear book repair tape**, Terrapin Book Tape is the perfect solution for reinforcing spines and hinges, and for mending torn pages.

Who We Are

Terrapin's unique, self-adhesive, seamless library and text book covers and rolls of contact are manufactured in South Africa from a clear, stable compound that never ages, yellows, lifts or cracks. Our high quality adhesive flows upon application, ensuring a crystal clear finish that enhances and protects precious library and text books for years to come.

 **Terrapin**
Book Covers

*Backing your books
since 1997*

Crystal clear and resistant to sunlight

We conducted a study which found that text books covered with a Terrapin book cover lasted on average five years longer than those issued without a Terrapin cover," Librarian at a large co-educational school in KwaZulu-Natal. "

So easy to use, it's like child's play

~~~~~  
**Librarians Love Terrapin**

*For 16 years South African librarians have been using Terrapin clear book covers and rolls of contact to protect their valuable library books.*

**Compare Our Prices!**

| <b>Product</b>  | <b>Dimension</b>  | <b>Price</b> |
|-----------------|-------------------|--------------|
| One-Part Size 1 | <b>180x250mm</b>  | R 352.94     |
| One-Part Size 2 | <b>215x330mm</b>  | R 557.29     |
| One-Part Size 3 | <b>240x370mm</b>  | R 692.64     |
| One-Part Size 4 | <b>304x495mm</b>  | R1218.22     |
| Roll of Contact | <b>1metrex20m</b> | R 563.95     |
