ERROL RAPID CLASS II - This is our weekday whitewater rafting adventure. When you reserve an Errol Rapid Class II trip expect a fun, laid back day on the river. We take 3-4 trips down Errol's section of rapids (under 1 mile in length). We break between runs for a light snack and lemonade and then the guides and guests help bring the rafts up a short stretch of trail back to the shuttle. Multiple trips allow us to work in dummies (inflatable kayaks) on the rapids as you get more comfortable with the river. Come hit the waves, swim and relax with us during the hot summer. This adventure is perfect for families, beginner rafters and those just looking to have fun on a hot summer day. Lunch - think fresh and hot pasta dishes, tossed salad, seasonal vegetables, barbecue days and of course dessert - is enjoyed on our way back to base. Check-in begins at 8:30am, we depart promptly at 9:00am and will return at approximately 4:00PM. The trip is offered Monday - Friday from during the early/late season and Monday - Thursday during peak season. The cost is \$80 per adult and children 12 - 6 are \$75. Prices include transport to the river from our convenient Gorham, NH location, safety gear, and of course lunch.

PONTOOK DAM CLASS II & III - This adventure includes two trips down a 2.5 mile stretch of Class II and III whitewater below the Pontook Dam (the upper Androscoggin's longest section of whitewater). With a break in between the two runs for a light river side snack and lemonade, expect a laid back day on the water hitting the rapids with time to swim as well. Check-in begins at 9:30am and we depart promptly at 10:00am. We typically return to base by approximately 4:00pm for this adventure. We enjoy lunch - think fresh and hot pasta dishes, tossed salad, seasonal vegetables, barbecue days and of course dessert - on our way back to base. This trip is offered on Saturday and Sunday during the early/late season and Friday - Sunday during peak season. The cost is \$60 for adults and children 12 - 6 are \$45 from May - June 30. From July 1 - September 15 adults are \$65 and children 12 - 6 are \$50. Prices include transport to the river from our convenient Gorham, NH location, safety gear, and of course lunch.

MAGALLOWAY RIVER CLASS III & IV - This is a solid Class III and IV river that includes 2 trips down the rapids! Surf the holes, take a wild ride down awesome rapids and be ready for the next level of adventure from Raft NH! This adventure packed trip meets at our convenient Gorham, NH location at 8:00am. Leave the driving to us as we transport you to the river (we depart promptly at 8:30am). A light riverside snack and lemonade are provided during your trip and a freshly prepared lunch - think fresh and hot pasta dishes, tossed salad, seasonal vegetables, barbecue days and of course dessert - will be enjoyed on our way back to base. We return to Gorham by approximately 4:00pm. Ages 12 and up may reserve this adventure. The cost is \$109 per participant. Price includes transport to the river from our convenient Gorham, NH location, safety gear, and of course lunch. This trip is offered only a few times throughout the entire summer so make your reservation early!

RAPID RIVER CLASS IV - The Rapid River is a legendary adventure among paddlers. However, it is so remote that commercial outfitters stopped running it years ago. Raft NH is reviving the legend of the Rapid River. As the closest solid Class IV river from Boston, this trip fills up fast! Let us transport you from our base in Gorham, NH through the deep woods to an adrenaline packed adventure. Above average

physical condition is highly recommended. This trip starts out with a gorgeous 30 minute/1.5 mile paddle across "Pond in the River" where our experienced Maine Guides teach you how to paddle the raft. From there, it's all downhill, which is a good thing if you are rafting! Rapid after rapid with successively increasing intensity for 4 miles is what gives this river its legendary status. Holes the size of SUV's and towering waves will have you asking when we can go again! Finish off the river trip with a relaxing raft tow across the pristine Umbagog Lake. A late lunch think - fresh and hot pasta dishes, tossed salad, seasonal vegetables, barbecue days and of course dessert - is enjoyed on our way back to base. Check in begins at 8:00am, we depart promptly at 8:30am and return to base around 4:30pm. Participants must be 14 and over to participate due to the remote and extreme nature of this trip. There are very few evacuation points, once you start you are committed to the entire journey! The cost is \$115 per participant. Price includes transport to the river from our convenient Gorham, NH location, safety gear, and of course lunch. This trip is offered only a few times throughout the entire summer so make your reservation early!

ROLLING DOG SLED RIDE & DEMO - Enjoy incredible views of the Presidential Mountain Range and experience dog sledding (without the snow or cold) right from our kennel. Guests enjoying this adventure learn about the history and sport of dogsledding in NH. Our Rolling Dogsled experience is designed to be hands on to the comfort level of the guests. Participants are given the opportunity to meet and greet the dogs, help harness and hitch the team and even help drive (at musher discretion for dog and guest safety of course)! During this experiences guests will enjoy a short 1-3 mile dogsled ride in our specially engineered rigs designed for comfort and safety – a musher will drive from the back just like in a traditional sled and guests will sit in the rolling dogsled. Please be prepared when making your reservation to provide the age and weight of those participating (this allows us to determine the size of the team needed for dog and guest safety).The cost of this adventure is \$39 for those 12 and under and \$48 for adults.

PAWS & PADDLES DAY PACKAGE - This great package was designed for those that want to pack in as much adventure into one day as humanly possible! Guests who select this package will enjoy a rafting adventure in the morning-afternoon and then our signature rolling dog sled ride in the evening. When enjoying a rolling dog sled ride guests can expect to: learn about the history of dog sledding in NH, learn about the various breeds and commands, help harness the team (this adventure is as hands on as you are comfortable with) and go for a wild ride behind a team of trained rescue and second chance Alaskan Huskies! Participants are able to help drive the team (at musher discretion for dog and guest safety). 4-5+ guests may ride together on this adventure as our weight limit is more flexible than during our winter activities. Please be prepared when making your reservation to provide the age and weight of those participating (this allows us to determine the size of the team needed for dog and guest safety).We encourage guests to book this package early as space is limited for this combo adventure. Please be advised that this is a "Rain or Shine" activity - come prepared for the changeable weather of New England!
