Turkey Tours Reviews:

Finally back in Melbourne and I wish to thank you for such a wonderful time in Turkey. All the tours and transfers worked very well with very nice staff, hotels great and guides very informative. All airports excellent. You have done a great job and we have given praise to our friends coming from Sydney with your company in September.

We had a fabulous time in Turkey, over and beyond our expectations. Thanks Michael for organizing our Best of Turkey tour, including accommodation and transport. We adored Istanbul, the hotel both there and in Cappadocia were delightful. I was impressed by the state of all the attractions we saw as they are amazingly well maintained and the guides obviously knew their history well. Of Ephesus, Pamukkale and Cappadocia, "Kapadokya" won our hearts. What a delightful place and we are looking forward to seeing it again some day. Travelling with a 14 year old is not always a delight, but our son was thrilled with variety of places we saw and it made learning historical facts so much more interesting for him. We were delighted that like us, he too enjoyed it so much. Manuela Veddovi - Akasaka, Tokyo

Our time in Turkey was amazing, and much of the credit for that goes to TTC for their professionalism and extraordinary organizational skills. Answers to our questions before the trip were prompt and informative. The boutique hotels we stayed in were lovely and always within a short walk of the areas we wanted to visit. We were not part of a group so very much appreciated all of the wonderful people who showed up to transfer us from place to place and provide us with valuable information. Turkey is a fascinating, vibrant country and I would return in a heartbeat. For assistance in planning another trip, I would contact Turkey Travel Centre again just as quickly.
