

TUTOR'S PROFILE

Dr Michael Fong

NUS, M.B.B.S(med),(surg.)

Singapore

Lecturer

GCE O-Level/A-level Biology Specialist

Dr Michael Fong is an experienced doctor with a passion for teaching and has tutored many students in the past in various subjects. His students has often achieved **A grades** or similar, and often loves the subjects, primarily Biology and GP.

It is rare to have a M.B.B.S graduate teach students, and it would be an advantage over other run-of-the-mill biology teachers in the education scene in Singapore
