

More than two thousand and six hundred years ago, Prince Siddhartha of India, made a pledge under a Bodhi tree at Bodhgaya, "*I pledge never to leave the meditation seat until I am enlightened.*" Finally Prince Siddhartha got enlightened and become a Buddha after conquering the maras.

On this supreme day of Buddha's Enlightenment, we are going to have "Offering to Spiritual Guide" Puja. **We sincerely invite you** to celebrate this special day with us !
