Fabric range	Band	Description
The House Collection	A	Our House Collection consists of 100% polyester synthetic fabrics. Hard wearing and durable, these fabrics are manufactured to stand the test of time.
The Classic Collection	B	Consists of three types of fabric. Harbour is a natural 100% cotton weave while Senna is 100% polyester. Campden and Hempstead are 56%/34% polyester/viscose blend.
The British Fabric Collection	C	A 52%/48% all natural linen/cotton blend for the Columbus and Caravela options. Prefer viscose? The Jura and Newbury fabrics are 67%/33% viscose/linen blends.
The British Velvet Collection	C	The matt velvet in this collection is 88% cotton and 12% polyester. If you'd prefer a fully natural weave, our Canterbury velvets are 100% pure cotton.
The English Wool Collection	D	The English Wool collection is woven by our established British wool suppliers in the Yorkshire area. It consists of 100% British wool with excellent natural properties.
