hello...
and welcome to Jarballs!

We hope you find this small handbook a useful guide to some of the many print products and services that we are able to offer you here, and further information about us can be found at **www.jarballs.com**

Your key contact email addresses and mobile numbers can be found on the back cover of this book and we very much hope that we can work with you soon on any forthcoming projects that you may have.

You can be assured of our best attention with your business at heart throughout.

Jarballs is one of the UK's leading independently owned print consultancies, working with media and design agencies for brands from small and local, to big and global. Our aim is to consistently produce outstanding service, offering an integrated approach to projects with advice, knowledge and expertise in order for the project to achieve its desired goal.

Media agencies we have worked alongside include:

Bauer Media • Burson Marsteller • Cake Group

Clarion Communications • Cohn & Wolfe • Daniel J. Edelman

Edencan • Experience Worldwide • Fivefootsix

Freud Communications • Frukt • Hill & Knowlton

Haygarth • Inkling Communications • KHWS

M&C Saatchi Sports & Entertainment • MHP Communications

Nielsen • Pulse Brands • Slice PR • Spook Media

SportsMark • TBWA • This is XYZ • Unity • We Are Shadows

The Jarballs name has been respected within the design and media industry for over a decade, building long term client relationships based on honesty, trust and transparency.

From the outset of your communication with us, we monitor each process to ensure that working with us is as enjoyable as possible, as well as giving you up to date information where required.

FULFILMENT & MANAGEMENT

from conception

to completion!

Fulfilment & Management

Jarballs have completed many print projects that have required various forms of fulfilment and are pleased to announce that we have now invested in new warehousing to further expand this service to our clients. Whether you require pick and pack, collating, inserting, storage and despatch, or any other format, our team are on hand to service your needs, quickly, efficiently, and professionally.

Bespoke gift sets produced and fulfilled for Sky, including branded iPad cases, gift tags, wrapping paper, postcards. Also, included in the fulfilment were Sky HD boxes, chocolates and mugs supplied via the client.

DESIGN & ARTWORK

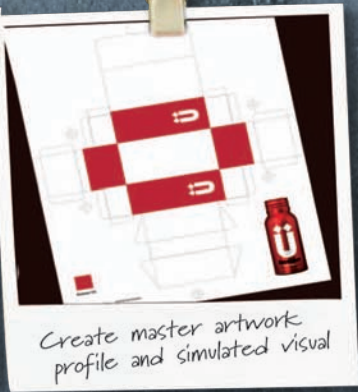

Design, Artwork and Visualisation

If you have a requirement for help in design or artwork, we can develop and research the gem of an idea, write the copy, illustrate, visualise and provide a full artworking package. With over 25 years experience of the design Industry we have technicians who possess all relevant industry knowledge to deliver advice and management expertise.

Design physical packaging
