

The George of Stamford Wine List

The aim of this wine list is to offer the most interesting wines we can find. 'Interesting' means characterful, individual, intriguing - not simply classic. Our pricing favours the better bottles - we use a 'cash mark-up system', taking a much lower percentage on the more expensive wines. We hope this encourages you to experiment. A * by the wine means it, or similar, is available in magnums and bottles, sometimes different vintages.
