### Description

A 6mm polished plain wedding band ring made in your choice of 14k or 18k gold.

The wedding band has a standard domed profile and is made to be a quality, substantial ring for men or women, depending on the ring size you choose.

Made in a comfort-fit design for a more comfortable-fit all day long.

This ring is also available from 4mm - 8mm widths or in all white gold or platinum, shown below.

Each of our 6mm wedding bands are handmade to order for the utmost in individual craftsmanship and quality, so please allow 7-10 business days before shipping.

*We guarantee our 6mm Two-Tone Gold Wedding Band Ring to be high quality, authentic jewelry, as described above.*
