### Budget scheme balance

*Your budget account balance is for information only. As you are spreading your payments throughout the year, the balance carried forward may be a credit or a debit depending on the time of year and how much energy you are using. Normally you don't need to do anything, but if you think your monthly payments are not covering what you are using, please let us know.*

*Remember: if we don't have a recent meter reading, you can call our Meterline at any time and update your reading which will mean your balance is up-to-date.*
