Your policy will be automatically renewed on the assumption you have no changes to make unless we hear from you. Confirmation will be sent shortly regarding your payment dates. Should you wish to make a change, please call the number provided.

Important documentation is also enclosed, detailing changes to the cover provided by your policy. Please read this carefully and if you are unsure on any point or require further clarification, please do not hesitate to contact us. Finally, we would strongly recommend you consider arranging cover for your tools. Theft cover is available from as little as £37.10, including cover whilst they are in your van overnight. Details available upon request. Details are enclosed, and please ask if you would like further information.

To offer you greater protection, we have introduced A-Plan+, providing a range of additional benefits for extra peace of mind. As well as great value Breakdown Cover, we can now arrange for your excess to be reimbursed following a fault claim, guarantee a courtesy vehicle where one would not normally be provided, and increase the pay out for your vehicle by 25% (up to £10,000) should it be 'written off'.  
Your policy remains competitive, and we recommend renewal. **After your 3 Years bonus the premium is £640.37**, including £30 for £100,000 of optional Legal Expenses Insurance, which will continue to be collected by Direct Debit unless you instruct otherwise. Details enclosed. Please call us to deduct £30 if Legal Expenses Insurance is not required.

Your annual policy covering BX53ZWZ is due for renewal on 14th October 2015.
