To book, call **131 766** and present this voucher at time of service.

Useful information.

An update on the carbon tax

The Federal Parliament has passed legislation which removed the carbon tax from 1 July 2014. We are currently working through the changes to our gas and electricity rates following the removal of the carbon tax. We will communicate the reduction to your energy rates separately. Those reductions will be backdated to 1 July 2014.
