What is a cubic meter?

A cubic metre (1m³) is 1,000 litres or about 220 gallons. This works out at around 12 baths or 20 showers.

Managing your account.

Keep us up to date

Please tell us if any of your details change - this includes changes to your bank and Direct Debit details. You can do this on our website, by calling us, or writing to us at: **Thames Water, PO Box 286, Swindon SN38 2RA.**

Moving premises.

If you're moving please let us know once your move date is less than 28 days away. You'll need your account number, new address and meter reading. Please give us at least two days notice of your move date to avoid having to pay more.

thameswater.co.uk/move

Tariffs

Your tariff is based on the amount of water you use, the volume of wastewater you discharge into our sewers and, if you have a Trade Effluent Consent or agreement, the strength of this discharge.

Understanding your bill.

You can download our charges scheme from our website.

Wastewater charges

These are based on the amount of wastewater you use. Our current charges, including new charges are available for download from our website. Or call us and we'll post a leaflet to you.

Fixed charges

These charges include the costs of treating water from highway and surface water drains, billing and enquiries. The charge for surface water and highway drainage is included in the wastewater fixed charge. If surface water from your property doesn't drain to our sewers, you may be able to claim a reduction of £30.02 for this bill. For more details please visit thameswater.co.uk/swd or call us on **0800 980 8800**.

Please tell us if your standard industrial code of 599 (Default code (VATable)) has changed. Download a form at thameswater.co.uk/vat or call us and we'll post one to you.

Money-saving freebies.

Using less hot water can save money on your energy bills as it costs more to heat water than the cost of the water itself. Our free gadgets fit taps, toilets and showers to save water without affecting performance. This means you can fit them, forget them and save your business money. Order your freebies now.

For services including large print, braille and interpreters visit thameswater.co.uk/extracare or call 0800 009 3652.

Our commitment to you: We will make payments as part of our Customer Guarantee Scheme if we fail to achieve the levels of service outlined here. We will keep appointments, respond to written queries and complaints about your bill or service within 10 working days, respond to written requests to change your payment arrangements within five working days if we are unable to make the change, respond to written enquiries about our extra care services within five working days, provide 48 hours advance notice of planned work that might result in you having no water supply for four hours or more, restore your water supply within the time specified on the notice for planned work, restore your water supply within 12 hours of a burst water pipe (48 hours if it is a big one), maintain an appropriate water pressure to your property and protect your property from flooding from our sewers. We will also make a payment if we have to issue you with a 'restriction of use' notice, because of problems with our water supply. Find out more about this and our other standards at thameswater.co.uk/codesofpractice.

Your water quality: If you have concerns about your water quality please contact us or visit thameswater.co.uk/waterquality. A free report for your area can be made available within seven days. If this remains unresolved you can contact the Drinking Water Inspectorate on 0300 068 6400 or visit dwi.defra.gov.uk/consumers.

The Consumer Council for Water: If you have followed our complaints process but are still unhappy, the Consumer Council for Water offers free independent advice. You can visit their website ccwater.org.uk, call them on 0300 034 2222, or write to them at Consumer Council for Water, c/o 1st Floor, Victoria Square House, Victoria Square, Birmingham B2 4AJ.

Meter testing: We can test your meter if you think it's faulty. We won't charge you if we find it is not working to the degree of accuracy required by law. In all other cases, we're entitled to recover all reasonable costs. It is an offence to tamper with a water meter.

Changes from April 2017: From April 2017, businesses, charities, public sector or not-for-profit organisations may be able to choose their retailer of water and wastewater services. If you would like to learn more about this, please visit open-water.org.uk, or visit thameswater.co.uk and visit the business section of our website.

We share your information with, and receive information from credit reference agencies. We do this in order to help us maintain up-to-date customer records and as part of our debt collection process. For more information and our updated Privacy Policy please visit thameswater.co.uk/yourdata or contact us.

To view our annual report and financial statements, including regulatory accounts, please visit thameswater.co.uk/annualreport.

We may share your information with carefully selected partners, to introduce you to water related news, goods and services (by post, phone, email, SMS) that we think you'll find interesting. If you don't wish to be contacted for this purpose, please let us know by emailing us at customerservices@thameswater.co.uk
