Dear Sir/Madam

**THE FOOD SAFETY AND HYGIENE (ENGLAND) REGULATIONS 2013  
REGULATION EC 852/2004 - ARTICLE 6 (2)  
REGISTRATION OF FOOD PREMISES : ORGANICOS**

I write to confirm receipt of your application form for the Registration of a Food Business Establishment.

Your details will be entered onto our database and may be shared with other sections within Regulatory Services. This is because these sections may also need to contact you and/or undertake an inspection.

If you are a new business, a food hygiene inspection will be undertaken in due course. This inspection will usually be unannounced. If you require any advice or want to discuss what an inspection entails please do not hesitate to contact the Food Safety Team on 01226 773743.

If you make significant changes to your food activities or close the business, the food business operator must notify the Food Safety Team at Barnsley MBC, Tel 01226 773743.

Regulatory Services includes food hygiene, food standards, trading standards, street trading, health and safety, animal health, licensing (late night and alcohol), under age sales. If you require advice in any of these areas please contact Regulatory Services on Tel 01226 772468 or email [regulatoryservices@barnsley.gov.uk](mailto:regulatoryservices@barnsley.gov.uk). There is also information on the website [www.barnsley.gov.uk](http://www.barnsley.gov.uk)

If you provide loose food e.g. meals and food that has not been pre-packaged, you will have to provide allergenic information to your customers. Information is enclosed on what action to take.

Yours faithfully,

Technical Clerk
