Dear Ms McDermott

RE: ICT Secure Disposal and Recycling Service Agreement Dated 16th June 2016

Following a review of ICT requirements it has been decided that Warrington Borough Council will not continue with the current arrangement for ICT disposal and recycling services with CRTUK Ltd.

The Council will be using the Association of Greater Manchester Authorities (AGMA) Framework Agreement for the Provision ICT Asset Lifecycle Services.

Please accept this correspondence as a courtesy notification that the agreement dated 16th June 2016, which has expired, shall not to be renewed.

On behalf of the Council I thank you for the service you have provided to date.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'C Hilditch'.
