CUSTOMER TALK

If your bill reflects that you owe a Balance Forward, you must make a payment immediately in order to avoid collection activities. You must pay a minimum of \$38.44 by your due date to avoid disconnection of your local service. All other charges should be paid by your due date to keep your account current.

The Federal Communications Commission (FCC), in conjunction with the Federal Trade Commission (FTC), has established a National Do Not Call Registry for consumers who wish to avoid receiving many kinds of telemarketing calls. Customers previously registered with State Do Not Call registries should be registered with the National Registry. Telemarketers who continue to call consumers who have placed their telephone numbers on the registry or had previously registered for any State Do Not Call list are subject to substantial fines. In addition, the FCC amended its rules to require, among other things, that telemarketers transmit their Caller ID information and to unblock their numbers. To sign up a residential number for the National Do-Not-Call Registry or to verify a number is included on the Registry, visit www.donotcall.gov or call the FTC's toll-free number at 1-888-382-1222, (TTY users, 1-866-290-4236), from the number to be registered. Consumers must re-register if they change their telephone number. Numbers remain on the Do-Not-Call List until a customer actively deletes the number from the Registry by calling

1-888-382-1222 (TTY users, 1-866-290-4236).

Additional Notification for Customers Making Telephone Solicitations

Customers making telephone solicitations can obtain the federal Do Not Call requirements by accessing the FCC's Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991 at <http://www.fcc.gov/cgb/policy/telemarketing.html>, 47 CFR Section 64.1200; and the FTC's amended Telemarketing Sales Rule at <http://www.ftc.gov/bcp/rulemaking/tsr/>, 16 CFR Part 310. Telemarketers can access the Do-Not-Call list at <https://telemarketing.donotcall.gov/>
