## **Places in Top-slip**

### ***Indira Gandhi wildlife sanctuary:***

Named after our favorite, but the end of the Prime Minister, this area is also known as the sanctuary of wildlife Anamalai.

**Bison**

Located in the heart of the Nilgiri Biosphere Reserve, this area is home to many species of birds, animals, reptiles and amphibians. A detailed description of the varieties is given below for more info ...

***Mount Stuart blocks:***

MT.Stuart block can reach about 3 km Topslip. It is an old forest bungalow and the tomb of Hugo Wood. Hugo Wood was a British officer with the environment in mind, apparently because it seemed safer than a seedling for every tree planted.

The tomb bears a Latin inscription meaning "if you want to see me looking around." Well, if you look around and maybe see him after all these years to say hi .. After all a touch of mysticism make your adventure healthier! But what he meant is that it is eternal life through the trees that were once the young trees!

***Elephant camp Kolikamuthi:***

This is a camp built exclusively for elephants. They are trained and housed here. There are about 50 families living malaisar tribes in this area. Professional coaches are elephants and enigmatic abilities seem to come with the genes.

### Elephant camp

But **the main problem is to get permission to visit the camp**. It is quite unique to be rent a jeep from the government to get in there and do it. you must have the permission of the Indira Gandhi Wildlife Sanctuary Rangers ... which is not known to be sympathetic about approvals because their priority is the forest and the environment.

### *Trekking*

If you are an amateur, but with passion when it comes to hiking and Anamalai hills are the undisputed choice. These hills are your platform for hiking custom entry. You have several options on the routes listed in the easy and difficult concern.

### Trekking inside the dense forests

## ***Backpacking***

Trekking is also popularly known as Backpacking. In this backpacking people often start a trip towards the wilder forest for enjoying without tension and probably mobiles. Here the bag consists of water, food, camping materials, first-aid kit and other essential things.

## ***Topslip Tree House***

Topslip Tree House (Wood House) is the best, two bedrooms for family of staff, the office is available there. Topslip Wood House is maintained by the Forest Department of Tamil Nadu. This building was discovered in Topslip surrounded by hay mixed with bamboo.

## **Luxurious Tree-house**

The rest of the condo can be ready to enjoy the view factor and Pandaravarai Kariyan Shola Peak in fog / cloud touched down hills. Within hours of the night watching cervids observed Gaurs sometimes elephants. The line is connected. Centers furnished problems every time. Enjoy the unique hiking area Karianshola evergreen forests with high bushes coracii bushes are Kook, tiger claw marks giant climbers, land and tree orchids.

Seems like you are ready to visit the Topslip for enjoying the luxury of the Treehouse and great sightseeing in Elephant camps near it.

At Topslip you need proper entrance passes and special permit for stay in Treehouse and other activities , A proper [Tour operator](#) is needed for those arrangements.
