### Notice of Name Change

Windstream previously provided notice that as a result of billing system updates, you would see a change to the remit to name that appears on your invoice, please note that your service provider has not changed. In 2012, Windstream acquired Paetec, at that time you also received a notice of this change. Windstream has now completed updating its billing systems, resulting in a change to the remit to line to reflect the Windstream name. There has been no change in your current rates or the terms and conditions of your service as a result of this change. Windstream's commitment to providing you with the best products and services is exactly the same.

If you have any questions, please call us at the number that appears on this invoice.
