Dear The Director

## About payments from your account

Account Number: \*\*\*\*4498 Sortcode: 20-49-86

Unfortunately, we have been unable to pay the following as there were insufficient funds in your account:

Standing Order for Dulwich Plumber for £152.00 dated 11/04/2018.

The charge for each returned item is £8.00, therefore you have incurred a total fee amount of £8.00. The fees will be charged to your account in line with your terms and conditions.

### How Can We Help

If you have any concerns about your account or are experiencing any difficulties, please contact us and we will be happy to discuss these with you.

### Important Things To Remember

If we are asked to make the above payment(s) again, we would only pay them if there are enough cleared funds in your account, or you have an appropriate agreed overdraft limit already in place.

If standing orders and direct debits are returned, we may have to cancel the mandates authorising us to make future payments. You may therefore need to set up alternative payment arrangements with the people involved.

If the returned item is a Barclays Bank loan repayment it may result in the loan being in default of its terms and conditions. This means that you will need to make other arrangements to bring your loan repayments up to date.

If you have any questions about this letter, please phone the Business Banking Team on 0345 605 2345\*.

Yours sincerely

Your Barclays Business Team
