Dear Ka-Globe,

Here at Globe, we always put our customers first and to this end, we would like to make sure that you are updated on all matters that we feel are relevant to you and the services that you are availing from us.

As we continue to bring you improved and advanced products and services, we wish to inform you that we have updated our Privacy Policy. This is in compliance with the Data Privacy Act of 2012.

For quick and easy understanding of the updates, please check the FAQs below:

### **What is Globe's Privacy Policy about?**

The Privacy Policy outlines our policy in relation to the collection, use, and protection of Customer Data. Globe is able to fulfill its mandate to provide the services that you are availing from us by processing your data.

### **When did Globe last update its Privacy Policy?**

The last update on our Privacy Policy was made on February 2017. We may revise our policy from time to time to reflect changes in our privacy practices and the law. When we do so, we will post the updates on our website for your information and reference.

### **What did Globe update in its Privacy Policy and how do these updates affect me?**

We have included the rights of the data subject (item #3) in the Privacy Policy. These rights include the right of the customer to access his/her data, correct inaccuracies, object from further processing and raise questions or concerns on all matters pertaining to data privacy.

### **How does Globe use the information it has?**

We use your information to provide you with customized products, services, and support. We hope to enhance your customer experience by tailoring our services to meet your preferences and needs. For example, GLOBE collects your billing address or email in order for us to either send you your physical bill or send it in electronic format.

We also use your information to communicate relevant services and/or advisories, abide by any safety, security, public service or legal requirements and processes, and for statistical, analytical, and research purposes.

### **How does Globe protect the information it collects from us?**

We take paramount care in protecting your personal information. We utilize a variety of physical, electronic, and procedural safeguards to ensure the confidentiality and privacy of your data, prevent loss, theft or use of your data for unauthorized purposes, and comply with the requirements of the law.

We value your awareness on matters concerning your data privacy. As such we encourage you to read the full text of our Privacy Policy by going to this link: <http://globe.com.ph/privacy-policy>.

Thank you very much and have a wonderful day.

Very truly yours,

**Anton M. Bonifacio**

Vice-President, Information Security and Data Privacy  
Globe Telecom, Inc. (Globe)
