Dear Mr Simon Peters
23 Lowther Road, Brighton, BN1 6LF
Account Number: 671 050 336 106

Thanks for choosing Blue+Price Promise August 2015

We think you've made a good choice signing up to take your electricity and gas with us. Did you know that our Blue electricity is backed by nuclear generation, which is a low-carbon* source?

We've got everything we need so far to complete your switch to us. Enclosed you'll find a copy of your contract and your tariff booklet, containing your Terms and Conditions. Your prices are in your TIL (Tariff information label). It's great to have you on board.

Here's what you've signed up for – please check the details are correct

Fuel: Electricity and Gas
Tariff name: Electricity: Blue+Price Promise August 2015 | Gas: Blue+Price Promise August 2015
Payment by: Budget Direct Debit (Monthly)
Regular payment amount: £77.00 for Gas £21.00 for Electricity
Contact preference: Paperless

What happens next?

You have a 14-day cooling off period from the day after you signed up with us, in which you can cancel your contract. After this it should take around three weeks to complete your switch to us. This is a good time to make sure you've paid any outstanding bills with your old supplier as it may affect your ability to switch.

Manage your account online

Now you've got your account number (at the top of this letter) you can sign up to manage your account online at edfenergy.com/myaccount. If you're on paperless billing, this is where you'll access any payment plans or bills.

How we calculate your Direct Debit

We worked out your estimated annual spend based on either your previous energy usage, how much you currently pay for your energy or the size of your property. This amount is then divided into 12 equal payments, which are spread across the year.

For more information about our tariffs you can visit edfenergy.com or call one of our advisers on **0800 056 8868**. We're open Monday-Friday 8am-8pm and Saturday 8am-2pm. For impartial advice on energy products you can call the Citizens Advice consumer helpline on **08454 04 05 06** or visit citizenadvice.org.uk/energy
