**DUE DATE** 14 January 2020

### Useful Information

#### We've crunched the numbers for you

Our analysis is based on comparing the cost of your current gas plan (including current rates and any discounts) with the cost of our other gas plans (excluding any credits) that don't require a paid membership or affiliation. We have based the analysis on an estimate of your last 12 months usage and have included any concessions, rebates and solar feed-in.
