#### Receiving money within the UK

**SWIFT** - someone making a payment to you must quote your Bank Identifier Code (BIC) and International Bank Account Number (IBAN). The BIC and IBAN are the international equivalents of your UK sort code and account number. An international payment will also need to quote the SWIFT Intermediary Bank number as we're using the routing services of an Agent Bank. You'll find this number along with your BIC and IBAN on the front of your statement.

**SEPA Credit Transfer** - someone making a payment to you must quote your International Bank Account Number (IBAN). Your IBAN is found on the front of your statement.

You can find a guide to your statement, and other tips for your account at **nationwide.co.uk/flexbasic/support**
