IMPORTANT INFORMATION ABOUT YOUR CREDIT CARD STATEMENT

The following is a summary of certain terms and conditions of your credit card account and details about some of the information shown on the front of your statement. It is provided to help you read and understand your statement. Please refer to your RBC Royal Bank business credit card agreement for complete terms and conditions for your Account.

Statement Period. Your statement covers activity on your account from the day after your previous statement was prepared to the last day of this statement period (Your Statement Date). If the date we would ordinarily prepare your statement falls on a date for which we do not process statements (for example, weekends and certain holidays) we will prepare it on our next statement processing date. Your Payment Due Date will be adjusted accordingly.

YOUR RESPONSIBILITIES

Review your statement. Review your credit card statement carefully. If you think there is an error, omission or irregularity, you must contact us no later than 30 days following your Statement Date at 1-800-769-2512. After the 30 days, our records will be considered correct except for credits improperly applied to your account.

Report lost or stolen cards. If your card is lost or stolen, or if you have your card but suspect that it or your account number is being used by someone else, call 1-800-769-2512 immediately.

Make your payment. You may pay the New Balance in full or in part at any time. However, you must pay at least the Minimum Payment by the Payment Due Date as shown on the statement each month.

How to make a payment. The payment options available for your account are listed on your statement. Remember to allow sufficient time for payments to reach us by the Payment Due Date. Payments sent to us by mail or made through another financial institution may take several days to reach us and are not credited to your account until we have processed them. To ensure that a payment is credited to your account on the same business day you make it, you must make the payment prior to 6:00 p.m. local time at one of our branches or ATMs in Canada or through our telephone or online banking service. Branch payments must be made by the branch closing time if it is earlier than 6:00 p.m.

You can also pay through Autopay, our pre-authorized payment service. Call us at 1-800-769-2512 for further information.

Payments do not automatically adjust your available credit. This generally occurs within one to three business days following receipt of your payment, depending on how your payment is made.

READING YOUR STATEMENT

Activity Description. Each transaction and amount credited or charged to your account during the Statement Period is described in this section, including any interest charges and the associated interest rate. The transaction and posting dates are displayed for each transaction. If the transaction date is not available for any transaction, its posting date is used as the transaction date. Interest is always calculated from the transaction date.

Payments & Interest Rates. This section displays the Minimum Payment and its Payment Due Date, your current Credit Limit, and Available Credit as of the Statement Date. Your available credit does not reflect transactions or payments made but not received by us by the Statement Date. Your current interest rates for Purchases and for Cash Advances are also shown. If either of those rates is a temporary promotional rate, we will show its expiry date here as well. Any promotional rates that are applicable to interest charges on the statement are displayed in the Interest Rate Chart.

Interest Rate Chart. This chart sets out the interest rate or rates, including applicable promotional rates, that apply to the New Balance, any remaining balances associated with those rates, and expiry dates for promotional rates. Rates and expiry dates for any promotions that we may have offered to you but which you are not using are not shown in the chart as they will not have any balances associated with them. If an expiry date falls on a date for which we do not process statements (for example, weekends and certain holidays) we will continue to provide you with the benefit of that promotional rate until our next statement processing date.

INTEREST AND OTHER CALCULATIONS

Determination of interest. You can avoid interest on purchases as long as you continue to pay your New Balance in full by your Payment Due Date every month. If you do not pay your New Balance in full by your Payment Due Date, you lose this interest-free status for purchases. You must then pay interest on all purchases shown on that month's statement and on all new purchases, from the transaction date until we receive your payment for the total amount you owe.

Fees are treated in the same manner as purchases for the purpose of charging interest.

Interest is always charged on cash advances from the day the cash advance is made until the date we process payment in full for those cash advances. Balance transfers, cash-like transactions and bill payments made using your credit card at our branch, at an ATM or using our online banking service are treated as cash advances.

We do not charge interest on interest.

To calculate the interest shown in the "Calculating Your Balance" section of your statement, we add the amount you owe each day, and divide the total by the number of days in the statement period. This is your average daily balance. We multiply the average daily balance by the applicable daily interest rate (obtained by taking the annual interest rate or rates and dividing by the number of days in the year). We then multiply this value by the total number of days in the Statement Period to determine the Interest we charge you. When there is more than one applicable interest rate shown in the Activity Description Section, we calculate your interest based on the average daily balances for each rate.

Applying your payments. We apply payments to your Minimum Payment first. We then apply payments to the remainder of your New Balance. If the different amounts that make up your New Balance are subject to different interest rates, we will allocate any payment paid in excess of your Minimum Payment in the same proportion as each amount bears to your New Balance. If you have paid more than your New Balance, we will apply any payment in excess of the New Balance to amounts that have not yet appeared on your monthly statement in the same manner as set out above.

Foreign currency conversion. The exchange rate shown on your Statement, to six decimal places, is calculated by dividing the converted Canadian dollar (CAD) amount, rounded to the nearest cent, by the transaction currency amount. It may differ from the original benchmark rate because of this rounding. The CAD amount charged to your account is 2.5% over the benchmark rate. Some foreign currency transactions are converted directly to CAD, while others may be converted first to U.S. dollars, then to CAD. In either case, the benchmark rate will be the actual exchange rate applied at the time of the conversion, and is generally set daily. The original benchmark rate at the time a transaction was converted may be obtained at usa.visa.com/support/consumer/travel-support/exchange-rate-calculator.html, if set by Visa, or mastercard.com/global/currencyconversion/index.html, if set by Mastercard. You can also call us toll-free at 1-800 ROYAL® 1-2 (1-800-769-2512).
