- LED Upgrades can improve your bottom line Electricity is essential to operating your business and you can power your facility using less energy with LED upgrades. Best of all, we will cover up to 70% of the installation cost so you can start saving money and energy. Visit georgiapower.com/directinstall to learn more.
- Make a difference this spring Through Project SHARE, Georgia Power will match \$1.50 for every \$1 you give to help people in your area facing a temporary crisis. Your contributions stay in your county and will go directly to helping those in need in your community. Donate today through your electric bill or visit georgiapower.com/projectshare to learn more.
- Building a stronger, more reliable electric grid We know that you rely on us to bring you the energy you need no matter what. That's why we're building or enhancing over 600 substations, installing or upgrading over 180,000 transformers, and even moving power lines underground - to keep your business on. See our plan to build Georgia's energy future at georgiapower.com/grid.
