ALLIANCE IMMEDIATE & PRIMARY CARE.

Urgent Care When You Need It.

Alliance Urgent Care Chicago

Medical emergencies do not always happen during regular business hours. At Alliance Immediate & Primary Care, we stay open long after most Chicago medical care centers have closed their doors. As an urgent care clinic, we help patients whose regular physicians are unavailable and patients who are trying to avoid the expense and hassle of the emergency room.

TESTIMONIALS

Mark R

Dr. Asim Saeed and everyone at Alliance Primary Care Chicago are incredible! Everything from flu shots to work physicals, they can do it all. The staff is super friendly and can think of no other place in Chicago when it comes to immediate and primary care.
