

It is important that your CBT Clinical Supervision and Continued Professional Development are maintained. The log books and Reflective Statements should be completed contemporaneously. When you apply for Full Accreditation time we will require you to submit completed Supervision logs, CPD reflective statements, Supervisor's Report, application form and attendance certificates showing activity from the date of your Provisional Accreditation application.

Please refer to the documents *Criteria and Guidelines for Full Accreditation*, and *Guidelines and Examples for Completion of CBT Log Books*, found in the Full Accreditation section of the website, where you can also find log books which can be downloaded for completion in Microsoft Word on your computer.

Please be aware that BABCP has now changed to a new annual online process of Reaccreditation, to support practitioners maintain the quality and standards of their practice. The details of this can be viewed on the BABCP website. This will not affect your application for Full Accreditation, but you should be aware of the new process to maintain your accredited status.
