Your business is now registered with BC Registry Services. Attached is your Statement of Registration document.

The Statement of Registration is all that you will receive from BC Registry Services and can be used to open your business account with the bank/credit union. It is an important business form and should be stored in a safe place. If you lose this form and require a replacement, BC Registry Services will charge a fee.

A Business Number (BN) will be assigned to your business. When this is complete, a letter will be sent to the mailing address provided for the business. The first nine digits of the BN are unique to the registrants of your business. It stays the same regardless of how many or what type of government program accounts you add. If you need to register for any additional accounts with Canada Revenue Agency (CRA), WorkSafeBC, Province of British Columbia, etc., please ensure that you provide your BN. When an account is opened it will have the same BN, and you will be able to use this number when dealing with these offices.

IMPORTANT: if you had already been issued a Business Number by CRA and the first nine (9) digits are different than what is on this letter, then please contact CRA at 1-800-959-5525 from 8:15 a.m. to 8:00 p.m., Monday through Friday, excluding Statutory Holidays.
