

February 13, 2020

Sean Curtin, Program Director  
Psych Health Center  
1404 N. Palm Canyon Drive  
Palm Springs, CA 92262

Dear Mr. Curtin:

The written Social Rehabilitation Program (SRP) Certification application for Psych Health Center (PHC) has been reviewed by the Department of Health Care Services (DHCS) and is approved as written. It is understood that PHC will provide SRP services to each client in the sixteen (16) bed Transitional SRP. Based on the approved application, DHCS is issuing a certificate (MHB200305) to PHC located at 1404 N. Palm Canyon Drive in Palm Springs, CA.

Enclosed is the DHCS certificate for PHC, which should be posted in a prominent place in the facility. Please examine the certificate and notify the Department if it contains any errors. Please be advised that DHCS will conduct an on-site review within sixty (60) days from the date of the first admission. Certification of this Transitional SRP is contingent upon the facility remaining in compliance with the California Code of Regulations, Title 9, Sections 531 through 533, and an annual on-site program review conducted by staff from the Program Certification Unit.

If you have any questions, please contact us at [CSDTRPU@dohcs.ca.gov](mailto:CSDTRPU@dohcs.ca.gov).

Sincerely,

Jillynn Molina

Associate Governmental Program Analyst  
Department of Health Care Services
