

Getting an NZBN on hold between 21 - 27 October due to IR updates

If you're a sole trader, partnership or trust and don't already have an NZBN, you won't be able to get an NZBN or request NZBN authority over a business between 3pm on Thursday 21 October and 3pm on Wednesday 27 October 2021. This is due to scheduled maintenance by Inland Revenue (IR).

Registered businesses already have an NZBN. To find your NZBN, please use this search bar.
